I approve all, but my guarantee deduction. I didn't hear back on that calculation. If we are up against the payroll deadline I can let it roll and true up later.

**Subject:** July 2017 BM/AM Recap Gina Spearman.Kelly Allison

Hi Dani,  
I know we keep missing each other on the phone.

I thought a call might be easier, but let me see if I can explain my self via email.....

My questions are:

Can you check the below for me for the BM personal production O/R:

E108 is Craig Johnson- I think it needs to be removed

E107 is missing- need to add this one- Christine Boskovich

E259 is missing- need to add this one- Oscar Reto

E 274 is Jill McKinney- need to remove this one

E280-288 is Todd Blake- need to remove

Kelly's 7/14 ledger distribution should have been \$60,907.72 + the 1760.00 = \$62,667.72 so she should not have needed any guarantee.

The ledger distribution was reduced to \$59,147.72 so a guarantee was added and is now being backed out.

Can you tell me why that was reduced?

Thank you,  
Sarah Laprade

Good Afternoon,

Attached is your recap. The numbers will not be final until Esther Lee's bonus is added. Please let me know what that is for final calculations.
